

PSHP Notes for Week 7, October 27!!!

If you have questions, please report to the Information Table and/or check the door signs for each room's schedule. Remind your kids that are younger than 12 that they need to be in eyesight and ear shot of a parent when they are not in class.

If your child has a conflict with a theory class, we have **Independent Theory** classes arranged at 4 different times during the day: 10:00, Noon, 12:45, and 2:45.

Door signs will be on each classroom door with the Friday schedule.

Please be sure to pick up after yourself and to keep track of all of your belongings. Great job on picking up last week. Please put all recyclables in the proper receptacles that are all around the church, as we are stewards of God's Kingdom.
