9. Please remember that all students, siblings, and families are **guests at Asbury each Friday**. Remind your family not to make any extra messes or to be disrespectful to the church property or to anyone at PSHP. We are blessed by a wonderful relationship with my home church, Asbury, that I don't want to jeopardize. Thank you all!!

JOYS and CONCERNS Lord hear our prayers.

1. A joy that the Hand Me Around was a blessing for so many. Thank you.
2. A joy that Jewel Clay Poisel had a healthy baby girl last week. We will be glad to see both of them at PSHP this week.
3. Kathy Putnam's mom, grandma to Jake, has been put on hospice. Prayers.
4. Prayers for the Ellingsworth and Polley families, both who have been PSHP families. Vallerie Ellingsworth Polley delivered twins at 25 weeks this week. One of the girls passed away. The other twin is in the Mercy NICU.

5. Prayers for Darla Feiker who is having liver and adrenal system issues and her body is producing too much insulin.
6. Prayers for the Easterly family. Their 16 yr. old son (not a PSHP student) had blood clots because of a birth defect. He had to have emergency surgery at St. Louis Children's hospital to remove a rib to fix the artery problem. His brother has missed most of PSHP since Christmas.
