

Notes for Week 2, September 13!!!

Welcome to the new year of Play and Sing His Praises. Thank you for a great first Friday last week!!

Please be patient with us as we will be chaotic the first couple of Fridays, until we get into a smooth routine. Please pray for our students, teachers, and PSHP families as we begin this exciting adventure this year.

All students report directly to their rooms for classes now. If in doubt ask at the Information Table.

Each room at Asbury will have a door sign with the daily schedule for each hour on the door. ON the back of the sign is the picture to restore the room for the clean-up crews.

Your music will be in your classrooms waiting for you! Only about half of the music has arrived. When the music arrives, it will be delivered to their classroom. Most of the choir music has arrived this week!

If you are renting an instrument from PSHP please report to the music library, so you can get your instrument and fill out the paperwork for your family folder.

If you are on a set-up crew, mid-day crew, clean-up crew, etc. report to the Information Table for instructions and to sign in each week.

Teachers, if you have a different setup for your room with chairs, tables, keyboards, etc., put a post it note on the door sign.

If your child has a conflict with a theory class, we have Independent Theory classes arranged at 4 different times during the day: 10:00, Noon, 12:45, and 2:45. The 10:00 Independent Theory class will meet with the Intro to Concert Choir Theory. For instance, students that are in Bach and Mezzo will need to take their Mezzo theory at 10:00 or at 12:00. Please take advantage of the theory classes option of Independent Theory as this is part of your fees and is the secret to our success when all of the students can read and count music. This is a skill for a lifetime of glorifying God through music.

Door signs will be on each classroom door with the Friday schedule.

Please be sure to pick up after yourself, keep track of all of your belongings and label all of your items for easy recovery of lost or left behind items.
