Policy Reminders:

1. Please note that PSHP and Asbury are not set-up for any visitors on Friday. This includes alumni. Alumni are not allowed to come and hang out all day. Our safety team is busy keeping the outside safe. Please see Kathy Love if you have any questions.
2. Please remind your family members to only put toilet paper in the toilets. Last week of the toilets had paper towels that had to be retrieved before it would flush properly. Please remember that we are guests at Asbury and I don't want anything to happen that would change that status.

Weather Reminders:

We have been watching the weather forecasts since Tuesday. We will meet tomorrow for the full day. If it would not be safe for your family to drive in or if you are worried about getting home safely, please leave early, as needed. Please talk to Kathy Love if this causes any problems or hardships.
